Marina One Singapore Show Gallery opened

Date

13.09.2014

The apartment sale for the two residential towers of the megaproject Marina One started. Marina One is the award winning development at the heart of Singapore's prestigious Marina Bay financial district and consists of two office and two residential towers and a „green heart“. ingenhoven architects won the competition in 2011, the building is scheduled to be finished in 2017.
