Marina One: Media Event and TV documentary filming in Singapore

Date
02.10.2014

In honor of Singapore's 50th year of independence in 2015, Channel News Asia is working on a four-episode TV documentary about Singapore and its best projects. The TV show will be on air in march next year, with Marina One as one of the innovative projects of the city. This morning, Christoph Ingenhoven was interviewed by the film crew. Furthermore, a Media Networking Event takes place this afternoon in the Marina One Show Gallery.
