

24.02.2015

1st prize for Strandkai Hamburg HafenCity

Date
24.02.2015

ingenhoven architects is one of five renowned architectural offices that will shape the western Strandkai of the Hamburg Hafencity. ingenhoven architects designed a new residential tower, which will be in the immediate vicinity of the Elbe Philharmonic Hall, the Marco-Polo-Tower and the Unilever headquarters.

All 33 designs of the architectural competition will be presented in an exhibition at the On-Off Gallery (Osakaallee 16, Hamburg) from 25.02.2015 to 12.03.2015.
