Christoph Ingenhoven presents the Supergreen concept on November 12 at the Vitra Design Museum

Date

06.11.2015

Christoph Ingenhoven will introduce you to the concept of ingenhoven architects of "Supergreen Buildings" on November 12 at 6pm at the Vitra Design Museum.

The lecture gives an insight into the diverse work of ingenhoven architects and presents the latest national and international projects of our office.

We are looking forward to your coming. Admission is free.
