WE PLUS YOU

The exhibition opening "WE PLUS YOU - Guided Tours. Andreas Schmitt and Marcus Herse" will take place on Wednesday, 31 May 2017, 7 pm, in the Weltkunstzimmer in Düsseldorf. Christoph Ingenhoven will be guest of the "Urban Tomorrow" talk.

Andreas Schmitt, a multi-award winner with a studio in Düsseldorf and Marcus Herse, media artist and university lecturer in Los Angeles, collaboratively develop an immersive, large-scale space installation on urbanity, consumption and space psychology. In an installation-media course, they examine perceptual and staging strategies, patterns of movement and consumer choreography in urban areas such as shopping malls and passages.
