Prix Versailles – Kö-Bogen II, Special Prize Europe Exterior Shopping Malls

Date
20.11.2021

At this year's Prix Versailles awards, the Kö-Bogen II was able to convince in the Europe Exterior Shopping Malls category with the special prize. We are very honoured to have won this continental award. Focusing on the interplay between business and culture, the Prix Versailles, the world architecture and design award, connects business stakeholders to improve the environment for all living things. The continental awards are presented annually. The winners compete again in another round on a global level at the World Awards in December. The winners will be announced on 15 December.
