Zumtobel Group Award – Kö-Bogen II, Shortlist

Date
21.10.2021

Within the Zumtobel Award 2021, the Kö-Bogen II was nominated for the Special Prize for Innovation. This category honors outstanding innovations and the most creative concepts that are extraordinarily responsive to both users and the environment. Every year, the Zumtobel Group Award honours sustainable and innovative buildings with a focus on environmental impact and humanity. The award is curated by Aedes Architekturforum Berlin. The winners will be announced in December 2021. More information && https://z.lighting/en/group/company/zumtobel-group-award/
